About TiVo for BlackBerry devices

You can use TiVo® for BlackBerry® devices to interact remotely with your TiVo® DVR using your device.

The design and look of this application is based on your TiVo DVR at home, to give you a familiar experience and provide you with many of the same features and benefits. With TiVo for BlackBerry devices, you can perform the following actions:

- record a single episode of a program or each episode in a program series with a Season Pass® recording
- set recording preferences in advance for the 1-Click recording feature
- browse for programs by category or search for programs by title, keyword, actor or director
- view the most popular programs, as chosen by other TiVo users, or recommendations for other programs that you might like
- view the daily picks, based on the TiVo rating system, and check the availability of these programs for your DVR and channel lineup

Sign in

You need to activate your TiVo® DVR before signing in.

After signing in, you remain signed in until you sign out.

1. On the Home screen, in the **Downloads** folder, click the **TiVo DVR Scheduler** icon.
2. In the **Email** field, enter the email address that you used to activate your TiVo DVR.
3. In the **Password** field, enter the password for the email address.
4. Click **Sign in**.
5. If you have more than one active TiVo DVR, complete the instructions on the screen to choose your DVR.

To sign out, on any screen, press the **Menu** key. Click **Sign out**.

Browse for a program by category

1. On the Home screen, in the **Downloads** folder, click the **TiVo DVR Scheduler** icon.
2. If necessary, sign in.
3. On the main screen, click **Browse by category**.
4. Click a category that you want to explore.

Select a program to view the description or recording options.

Search for a program

1. On the Home screen, in the **Downloads** folder, click the **TiVo DVR Scheduler** icon.
2. If necessary, sign in.
3. On the main screen, perform one of the following actions:
 - Click **Search by Title**. Type the title or part of the title for the program that you want to find.
 - Click **Search by Actor/Director**. Type the name of the actor or director who is part of the program that you want to find.
 - Click **Search by Keyword**. Type one or more keywords for the program that you want to find.
4. Click **Search**.

Select a program to view the description or recording options.

Record a program

1. On the Home screen, in the **Downloads** folder, click the **TiVo DVR Scheduler** icon.
2. If necessary, sign in.
3. Browse or search for a program.
4. On the Program Info screen, perform one of the following actions:
 - Click **Record this episode** or **Record this program**. Complete your preferences for the recording options.
 - If you set up 1-Click recording, click **1-Click record**.

Prior to subscribing for, installing, or using any Third Party Products and Services, it is your responsibility to ensure that your airtime service provider has agreed to support all of their features. Some airtime service providers might not offer Internet browsing functionality with a subscription to the BlackBerry® Internet Service. Check with your service provider for availability, roaming arrangements, service plans and features. Installation or use of Third Party Products and Services with RIM's products and services may require one or more patent, trademark, copyright, or other licenses in order to avoid infringement or violation of third party rights. You are solely responsible for determining whether to use Third Party Products and Services and if any third party licenses are required to do so. If required you are responsible for acquiring them. You should not install or use Third Party Products and Services until all necessary licenses have been acquired. Any Third Party Products and Services that are provided with RIM's products and services are provided as a convenience to you and are provided "AS IS" with no express or implied conditions, endorsements, guarantees, representations, or warranties of any kind by RIM and RIM assumes no liability whatsoever, in relation thereto. Your use of Third Party Products and Services shall be governed by and subject to you agreeing to the terms of separate licenses and other agreements applicable thereto with third parties, except to the extent expressly covered by a license or other agreement with RIM.

Certain features outlined in this documentation require a minimum version of BlackBerry® Enterprise Server, BlackBerry® Desktop Software, and/or BlackBerry® Device Software.

The terms of use of any RIM product or service are set out in a separate license or other agreement with RIM applicable thereto. NOTHING IN THIS DOCUMENTATION IS INTENDED TO SUPERSEDE ANY EXPRESS WRITTEN AGREEMENTS OR WARRANTIES PROVIDED BY RIM FOR PORTIONS OF ANY RIM PRODUCT OR SERVICE OTHER THAN THIS DOCUMENTATION.
