Setting up BBM Enterprise for use in your organization

When your administrator grants you permission to use BBM Enterprise, you receive an activation email message. If you can't find your activation email message, check your junk email folder.

Set up BBM Enterprise

Your organization manages BBM Enterprise using BlackBerry UEM. Your activation email contains a link that will send you to the appropriate starting point for setting up BBM Enterprise.

1. In the activation email you receive, click the activation link.
2. Open the App Store.
3. Search for and download BBM Enterprise.
4. Open BBM Enterprise.
5. Specify your username (email address) and activation password from your UEM activation email or scan the QR code provided in the email.
6. Tap **Sign in**.

After you finish: If you are signing into BBM Enterprise after you have previously activated your account, on your next sign-in, there are two new options:

- **Add this device to my BBM Enterprise account:** Select this option if you are adding this device to an already activated BBM Enterprise account.
- **Switch my BBM Enterprise account to this device only and remove all other activated devices:** Select this option if this is the only device you want to use BBM Enterprise with.

Accessing BBM Enterprise from more than one device

You can access your BBM Enterprise account on up to five devices at the same time, subject to administrator restrictions.

Sent and received messages are synchronized across your active devices. Incoming invitation requests and voice and video call notifications are displayed on all active devices.

The following information is synchronized across all active devices:

- Display name
- Status
- Avatar
- Contact list
- Retracted messages

The following information appears only on your primary BBM Enterprise device:

- Settings
- Chat hidden status
- Feed updates
- Draft messages
- Timed message read status

Add another device to your BBM Enterprise account

After you have set up BBM Enterprise on one device, you can add up to four more devices to your BBM Enterprise account.

1. Download BBM Enterprise on the device that you want to add and sign in.
2. Set the device name and description. Tap **Continue**.
3. When prompted, select **Add this device to my BBM Enterprise account**.
4. On the first device that was already activated, type the synchronization code that is displayed on the new device.
5. Tap **Authorize**.

Set a primary device for your BBM Enterprise account

You can designate one of your devices as your primary device in BBM Enterprise.

1. Tap ☰.
2. Tap **My Profile** or your profile image.
3. Tap **Devices**.
4. Select the device that you want to set as your primary device.
5. Tap **Set as primary device**.

Remove a device from your BBM Enterprise account

1. Tap ☰.
2. Tap **My Profile** or your profile picture to display your profile screen.
3. Tap **Devices**.
4. Tap the device that you want to remove from your BBM Enterprise account.
5. Tap **Deactivate device**.
6. Tap **Yes** to confirm.

Change your BBM Enterprise status or profile picture

Personalize your BBM Enterprise profile by changing your status or picture. Your first and last name is set by your administrator and can only be edited if permitted by your organization's policy.

1. Tap ☰.
2. Tap your picture or name.
3. Do any of the following:
 - To change your profile picture, tap your current picture. Tap . Select from a picture or animated GIF in your gallery or a sample picture. Alternatively, tap  to take a new profile picture using your device's camera.
 - To change your status, tap **Status** and select a status from the list.

2. Tap **Leave**.

Managing contacts and groups in BBM Enterprise

You can manage all of your contacts and groups within BBM Enterprise. You can add, remove, transfer, and search for your contacts and groups, set up a key verification, and send key exchange passphrases to your contacts.

BBM Enterprise allows you to identify contacts securely using a pin or barcode and to verify your keys using a barcode or a text fingerprint.

Add a BBM Enterprise contact

You can add contacts to BBM Enterprise in different ways depending on the information that you have. For example, you can type someone's contact information or scan a BBM Enterprise barcode.

When you invite someone to BBM Enterprise by entering their email address or phone number, they receive an email or text message with a link to download BBM.

1. Tap  > + > **Add Contact**.
2. Select an option.
3. If necessary, enter a PIN number, phone number, or email address. Tap **Send**.
4. Click **Send**.

After you finish: To cancel an invitation you sent, touch and hold the invitation. Tap .

Change the display name of a contact

3. Tap **Settings**.
4. Tap  next to the contact's name.
5. Type a name for the contact.
6. Tap **Done**.

Add voice call information for a contact in the Contacts app

You can add BBM Enterprise voice call information for a contact so that you can call them directly from the Contacts app.

Before you begin: Call the contact from the BBM Enterprise app.

1. On the **Recents** screen in the Phone app, tap  beside a call that you made to the contact from the BBM Enterprise app.
2. Tap **Create New Contact** or **Add to Existing Contact**.
3. Tap **Social profile** beside the BBM Enterprise voice call number.
4. Tap **BBM Enterprise**.
5. Tap **Done**.

In the contact entry, you can now tap the call icon or the BBM Enterprise field to call the contact using BBM Enterprise.

Show your BBM Enterprise PIN or barcode

A PIN is a unique combination of numbers and letters used to identify each person in BBM Enterprise. If you don't want to share personal information, like your phone number or email address, you can share your PIN. People can add you as a BBM Enterprise contact if they know your PIN, or if you show them your BBM Enterprise barcode.

1. Tap .
2. Tap . Your PIN appears under your BBM barcode.

Verify your keys with a contact

Keep your contacts safe by setting up a key verification.

1. In your contact profile, tap **Key Verification**.
2. Do one of the following:
 - To verify keys using the QR code, have the contact scan the QR code.
 - To verify keys using the text fingerprint, tap **Text**. Show the fingerprint to the contact or tap **Copy fingerprint** and send the fingerprint to them.

Resync keys

In certain conditions, your copy of the keys that another user uses to sign their messages and encrypt certain content in a chat with you can become out of sync. This can prevent you from starting new chats with the user or cause messages from that user to be marked as unverified (🔒).

In a chat, tap  > **Resync Keys**.

Send a key exchange passphrase to a contact

When you send a passphrase to a contact, a notification is displayed in your pending invitations. When the user enters the passphrase, a confirmation message appears in your feeds.

1. In a chat, tap  > **Share Passphrase**.
2. Do one of the following:
 - If you want to use the auto-generated passphrase, tap **Send**.
 - In the **Enter passphrase** field, type a new passphrase. Tap **Send**.

Cancel a key exchange

After you send a key exchange, you can cancel the request or update the passphrase.

1. Tap .
2. Tap **Invites**.
3. In the **Key Exchanges** section, tap the name of the contact.
4. Do one of the following:

- To update the passphrase, tap **Share new passphrase**. Use the suggested passphrase or type a new one. Tap **Send**.
- To cancel the request, tap .

Delete a contact

If you delete a BBM Enterprise contact, you are removed from that person's contact list as well.

1. Tap .
2. Tap and hold a name.
3. Tap **Delete**.

Search for BBM Enterprise users

You can search for BBM Enterprise users in your organization to add to your contacts. If your administrator has enabled trusted cross-organization contact lookup, you can search for contacts in other organizations that your organization is connected to.

1. Tap .
2. Type a user's name, phone number, title, email address, or other work info (if permitted by your administrator).
3. When names appear, tap a user's name to start a chat.

Organize your contacts

If you have many contacts, you can organize them into categories. For example, you can create a category for coworkers or your family.

1. On the **Contacts** screen, touch and hold a name.
2. Tap **Move Contact**.
3. Tap a category, or tap **+** to create a category.

After you finish: To delete a category, move the contacts out of it first. Then, touch and hold the category name and tap .

View a user's BBM Enterprise profile

You can view contact details in someone's BBM Enterprise profile.

1. On the contacts screen, tap and hold a contact.
2. Tap **User Profile**.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW IN YOUR JURISDICTION, BLACKBERRY SHALL HAVE NO OTHER OBLIGATION, DUTY, OR LIABILITY WHATSOEVER IN CONTRACT, TORT, OR OTHERWISE TO YOU INCLUDING ANY LIABILITY FOR NEGLIGENCE OR STRICT LIABILITY.

THE LIMITATIONS, EXCLUSIONS, AND DISCLAIMERS HEREIN SHALL APPLY: (A) IRRESPECTIVE OF THE NATURE OF THE CAUSE OF ACTION, DEMAND, OR ACTION BY YOU INCLUDING BUT NOT LIMITED TO BREACH OF CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR ANY OTHER LEGAL THEORY AND SHALL SURVIVE A FUNDAMENTAL BREACH OR BREACHES OR THE FAILURE OF THE ESSENTIAL PURPOSE OF THIS AGREEMENT OR OF ANY REMEDY CONTAINED HEREIN; AND (B) TO BLACKBERRY AND ITS AFFILIATED COMPANIES, THEIR SUCCESSORS, ASSIGNS, AGENTS, SUPPLIERS (INCLUDING AIRTIME SERVICE PROVIDERS), AUTHORIZED BLACKBERRY DISTRIBUTORS (ALSO INCLUDING AIRTIME SERVICE PROVIDERS) AND THEIR RESPECTIVE DIRECTORS, EMPLOYEES, AND INDEPENDENT CONTRACTORS.

IN ADDITION TO THE LIMITATIONS AND EXCLUSIONS SET OUT ABOVE, IN NO EVENT SHALL ANY DIRECTOR, EMPLOYEE, AGENT, DISTRIBUTOR, SUPPLIER, INDEPENDENT CONTRACTOR OF BLACKBERRY OR ANY AFFILIATES OF BLACKBERRY HAVE ANY LIABILITY ARISING FROM OR RELATED TO THE DOCUMENTATION.

Prior to subscribing for, installing, or using any Third Party Products and Services, it is your responsibility to ensure that your airtime service provider has agreed to support all of their features. Some airtime service providers might not offer Internet browsing functionality with a subscription to the BlackBerry® Internet Service. Check with your service provider for availability, roaming arrangements, service plans and features. Installation or use of Third Party Products and Services with BlackBerry's products and services may require one or more patent, trademark, copyright, or other licenses in order to avoid infringement or violation of third party rights. You are solely responsible for determining whether to use Third Party Products and Services and if any third party licenses are required to do so. If required you are responsible for acquiring them. You should not install or use Third Party Products and Services until all necessary licenses have been acquired. Any Third Party Products and Services that are provided with BlackBerry's products and services are provided as a convenience to you and are provided "AS IS" with no express or implied conditions, endorsements, guarantees, representations, or warranties of any kind by BlackBerry and BlackBerry assumes no liability whatsoever, in relation thereto. Your use of Third Party Products and Services shall be governed by and subject to you agreeing to the terms of separate licenses and other agreements applicable thereto with third parties, except to the extent expressly covered by a license or other agreement with BlackBerry.

The terms of use of any BlackBerry product or service are set out in a separate license or other agreement with BlackBerry applicable thereto. NOTHING IN THIS DOCUMENTATION IS INTENDED TO SUPERSEDE ANY EXPRESS WRITTEN AGREEMENTS OR WARRANTIES PROVIDED BY BLACKBERRY FOR PORTIONS OF ANY BLACKBERRY PRODUCT OR SERVICE OTHER THAN THIS DOCUMENTATION.
